Reference: Year End Report
(7/1/95 - 12/31/95)

Dear Ms Sheppard:

I have reviewed the inquiry made regarding the Year End Report, and would like to respond with the following:

1. James Yung - Excessive contribution in the amount of \$500.00. This record has now been identified as duplicate and was reported that way in error by data entry. There were two records that evidently did not seem the same. Since the time has lapsed for redesignation, a full refund of contribution has been made to the donor. (See attached copy)

This refund will be reflected on the next periods report.

2. The Good Government for Mass PAC, \$5,000. - Evidently, at the time the contribution was made, the PAC was not yet qualified as a multicandidate committee. To our knowledge an inquiry was made and were advised it would be an allowable contribution.

We are refunding the entire \$5,000, which will be reflected on the next periods report.

3. Jerry Estruth for Congress, \$20,000 - The total of this contribution was to be split accordingly to each election. During the 1st quarter of 1996, \$1,000 of this contribution was refunded to Citizens for Joe Kennedy and is disclosed on the enclosed amended 1st Qtr. 1996 report.

We apologize for any inconvenience and are daily implementing systems to avoid error in reporting. If you have any questions, please call me at 617/552-1994.

Thank you for your time and consideration.

Sincerely,

Christine Montillo
Executive Director
